IISRR - International Journal of Research

A Peer-Reviewed Half-Yearly Online & Print International Multidisciplinary Research Journal, & an Initiative of the IISRR

Online Version: ISSN 2394-885X * Print Version: ISSN 2394-6873

Volume: 9; Issue : II; December 2023

Editorial

The Indian Institute of Social Reform & Research is glad to publish the Volume-9; Issue-II; December 2023, of the IISRR-International Journal of Research.

We on behalf of the IISRR have been organizing series of Webinars, Seminars, Conferences, Workshops, Orientation Programmes and Training Courses on several current and trending issues throughout the year in both Physical and Virtual Modes; independently, as well as, in collaboration with other Universities/ Institutions too. A brief Report about IISRR activities is given in Page no-3 of this Issues. We would like to extend our thanks and gratitude to the Participants, Experts, Resource Persons, members of Organizing Committees and the Institutions who have extended cooperations and collaborations for making the academic events a grand success.

The IISRR has introduced the “IISRR-Award” for the contributions towards ‘Sustainable Development and Societal Reforms’, from the year 2023. The “IISRR-Award” will also be awarded in 2024 and nominations are receiving. A ‘Gold Medal’ and a ‘Citation’ are being awarded to Selected Person(s), having the contribution towards ‘Sustainable Development and Societal Reforms’ through his/ her life-long activities.

IISRR has organized the “IISRR International Essay & Elocution Contests on Lunar Mission & Chandrayaan-3’ and ‘Solar Mission & Aditya L1” for the School Students. A good number of Students from Class IV to XII have participated in these Contests in eight Groups. A Special Issue of the IISRR-IJR, containing the Essays/ Articles of those students on the above-mentioned Topics, will be published.

We would like to extend our thanks to the Authors for their Research Articles, published in this Issue, and even which are not published, but under consideration for the next Issues after necessary revisions. In this context it can be assured that if the Authors of un-published Articles re-submit their rectified and revised Articles according to the Guidelines for Authors (<http://www.iisrr.in/journal/guidelines-for-authors>) of our Journal, and comply with the suggestions, made in the Primary / Secondary Observations about their Article concerned made by the IISRR Editorial Team.

We also convey our thanks and gratitude to the respected Reviewers, Advisers, Members of the Editorial Board, and Web-Designers, Printer and all other persons who have extended their direct and /or indirect co-operation for publishing this Issue of the IISRR- IJR, and the future issues too.

Cooperation of all concerned is earnestly solicited.

Asit Kumar Das
Editor-in-Chief

IJSRR - International Journal of Research

A Peer-Reviewed Half-Yearly Online International Journal for Research Activities & an Initiative of the IISRR

Procedure of Peer-Review of Articles for Publication in the IISRR-IJR

Two-Point-Blank Peer-Reviewed Process (through the following 6-Steps) are being followed for Selection & Publication of Articles in the IISRR-IJR

Merit of the Article is the Main Criteria for Selection & Publication of Article

- **Step -1: Receiving of Papers/ Articles:**
All types of Articles / Papers/ Study Reports are being collected and checked by the Editor-in-Chief.
- **Step -2: Meeting of the Editorial Board:**
Editor-in-Chief discuss with the members of the Editorial Board (online meeting) about the received articles; and classified those Articles according to different disciplines. Sectional Co-Editors are assigned to review primarily and to select the papers, which can be sent to the Reviewers for their observations. Sectional Co-Editors submit a panel of 3-4 Reviewers of their respective discipline.
- **Step -3: Primary Observations about the Article:**
 - (i) Each and every Article is being scrutinised critically, mainly on the technical aspects, and the '**Primary Observations about the Article**' are being made on the Articles, which can be published after revisions. The 'Primary Observations' are being sent to the respective Author(s) to revise the Article by complying with the 'Suggestions' made in their article(s); and asked them to send back the Revised Article within 3-5 days.
 - (ii) After receiving the Revised Article, it is being checked by the Editorial Team. If the suggestions are properly complied with, then the Article is being sent to Reviewers.
- **Step -4: Sending of Articles to the Reviewers and after receiving the Reviewers' Report:**
 - 4.1 Sending of Articles to the Reviewers:**
As per recommendations of the Sectional Co-Editors, Chief Editor (his office) send request letters to two/ three Reviewers along a soft copy of the primarily selected articles and an evolution sheet/proforma for his/her review reports.
 - 4.2 Review Report:**
After receiving the Reports from the Reviewers, Sectional Co-Editors compile the Reports and select the Papers/ Articles which are to be published- (i) Without any editing; (ii) Minor Editing needing; (iii) Major Editing needed and send back to the Author(s); (iv) Not Publishable.
- **Step -5: Intimation to Authors:**
Chief Editor send intimation to the Authors along with consolidated Review Report, as per recommendation of the Sectional Co-Editors, and asked Author(s) to revise/ re-edit/ make necessary corrections of their Article(s). Authors are asked to make **Plagiarism Checking** and submit the **overall report** along with the **Final Edited Article**.
- **Step -6: Final Selection of the Articles for Publication:**
 - i) Plagiarism Checking has to be made by the Authors concerned all publishable Articles/ Papers.
 - ii) Final Selection of the Articles is being made by the Chief Editor on behalf of the Editorial Board, and their decision is final.
