Report on the Academic Visit to Seacom Skills University by a Team of Academic Experts of IISRR World Conference 2024

Dr. Nirmalya Ghosh

As per request of the Chairman, Seacom Skills University, a Team of Foreign and Indian Academic Delegations has visited the Seacom Skills University, Shantiniketan on 9th December 2024. This team of Academics had attended the IISRR World Conference 2024, held at Jadavpur University during 5 to 7 December, which consists of 17 academicians, including 8 foreign and 9 Indian Experts have meet with the Faculty members and the Academic Administrators in the Board Room on 9th December 2024. A wonderful academic discussion and exchange of views and ideas on several academic issues have been made.

Meeting of IISRR World Conference 2024 Foreign & Indian Delegations with Seacom Skills University, Shantiniketan on 9th December 2024 at Board Room

At the outset the Prof. Panja, the Pro-Vice Chancellor (Academics) expressed his gratitude to all the foreign and Indian delegates for visiting SSU. Then Registrar, SSU has introduced the university officials with the guests. Prof. Asit Kumar Das, Director, IISRR, has introduced the delegates of the Team, including foreign and Indian academicians with the academic and administrative officials of the University.

Prof. Asit Kumar Das asked Dr. Robin Groves, Curtin University, Australia, that how the university can collaborate with other universities in academic prospect. Dr. Robin explained that a change occurred in education as well as learning method. He also talked about professional learning. Prof. Ghosh made a question about unemployment and teaching-learning method. Registrar asked the difference of education system in between abroad and India and how we can improve

our education system. Prof. Das has asked the foreign delegates to explore the possibilities of academic collaborations between the Seacom Skills University and other Foreign and Indian HEIs and Universities. Other delegates explained their views about this university and showed their gratitude. Prof. Sudhakar C. Agarkar, former Professor, HBCSE, TIFR, Dr. Robin Grover, Dr. Elaine Horne, Australia have expressed their views and pointed out several possibilities of Collaboration with the Seacom Skills University, as its missions and visions are quite innovative and unique.

Foreign & Indian IISRR Delegations with the Seacom Skills University Team

Prof. Jhang Chai, Thailand, said more participation needed with teachers and students for educational development. Dean of Doctoral studies extended his greetings to the delegates. He said that we have to reach sustainable development goal and want to collaborate with them. Dr. Jana told about research method and AI tool regarding research. Unanimously it has been decided that collaboration will be done either physical mode or online mode. The meeting ended with thanks to the chair. Prof. Panja, the Pro-Vice-Chancellor (Academics) had concluded the meeting. Dr. Ghosh, the Registrar, SSU gave vote of thanks.

IISRR World Conference 2024 Delegations visiting various Departments of the Seacom Skills University

After the academic meeting was over, delegates have visited the various Departments and endeavours of the University. The Delegations have expressed their happiness after visiting the Art & Culture Department, Farm section, Fishery unit, Central Library and lastly the Canteen.
